Thank you for applying for media credentials at Grandview Speedway. We appreciate you wanting to cover our events in 2027. All media requests will go through and need approval from Tina Rogers. The deadline for the 2027 season media credentials is February 28, 2027.

Grandview Speedway will review credential applications for working journalists and photographers. You must be 18 years of age or older to apply for a credential.

Grandview Speedway media accreditation terms and conditions include (but are not limited to) the provision that any stories produced and/or still photographs taken at each event will be used for media purposes only and not for commercial use. Media credentials are not intended for those who sell photos or images for purposes other than editorial coverage. If at any time Grandview Speedway feels that photographic images are being sold for commercial purposes, your accreditation will be revoked without notice. Credentials WILL NOT be issued to those involved in commercial ventures, unless written consent is obtained by Grandview Speedway or a member of the Rogers Family. Professional conduct on social media towards the race track, track officials and or divisions will always be expected. Anything unprofessional or inappropriate will result in your accreditation being revoked without notice. Live streaming is prohibited.

Grandview Speedway will retain the rights to use any content originating on speedway grounds for advertising or marketing. It is understood that all credentials will be used for the purpose for which they were issued, without exceptions. Violators of this policy will lose all credentialed access to future events. Grandview Speedway reserves the right to refuse media credentials to individuals on a case by case basis.
